

[PX] PartnerXchange

Power-Packed EDI Made for Small Business

Compatible Products

- Epicor® Kinetic
- Prophet 21®

PartnerXchange [PX]™ is a highly intuitive cloud and web-based EDI platform that empowers small and mid-sized companies to exchange data with trading partners easily and effectively. PX provides the ability to instantaneously integrate the smallest of suppliers, allowing for performance management and monitoring.

PX is designed for users with little to no EDI experience. It delivers powerful features that streamline workflows to help ensure trading partner compliance requirements to meet business needs. PX is a modern, web based, multi-user solution leveraging the latest technology without any of the upfront investment of EDI software and implementation services.

Epicor EDI provides direct support for PX, available from 7:00 a.m. - 7:00 p.m. via phone or email.

Benefits

Improve accuracy and efficiency to respond to partner documents

Configurable alerts to help prevent missing critical deadlines

Complete compliance with trading partners' data and process requirements

View status of transactions by trading partner

Simple and intuitive interface to guide those new to EDI

Easy access to trading partner tools, settings, and functions

EPICOR

We're here for the hard-working businesses that keep the world turning. They're the companies who make, deliver, and sell the things we all need. They trust Epicor to help them do business better. Their industries are our industries, and we understand them better than anyone. By working hand-in-hand with our customers, we get to know their business almost as well as they do. Our innovative solution sets are carefully curated to fit their needs, and built to respond flexibly to their fast-changing reality. We accelerate every customer's ambitions, whether to grow and transform, or simply become more productive and effective. That's what makes us the essential partners for the world's most essential businesses.
